4.C: Other External Support

**375.5 Hours requested in December – 96.5 Hour**

# 3d MAW Issues

- Two available F-18 Squadrons  are on 96 hour PTDO
- Not all "avail" for tasking units are at Staffing goals
  - Personnel (pilots and Maintainers) are at a premium due to IA, JMD and Training Team requirements
  - On average "avail for tasking" units are short 3-5 airframes that are out of reporting status due to maint requirements
  - Units have new aircrew training requirements
- KC-130J sqdn is also the FRS for west coast aircrew
- Upcoming WTI and DT will impact "avail tasking".
- Expect significant impact if 3d MAW tasked to source CENTCOM RFF
